

**RE-EVALUATION OF AN ENVIRONMENTAL ASSESSMENT
(§ 24 CFR 58.47)**

Community Name: City of Ludington

Project Name: Downtown Rental Rehabilitation

Grant Number: _____

Date of Original Environmental Assessment: published May 5 2020

The conclusions of the original Environmental Assessment must be re-evaluated when significant changes are made to the original project.

1. Does the recipient propose **substantial** changes made in the **nature, magnitude or extent** of the project, including **new activities not anticipated** in the original scope of the project?
(§ 24 CFR 58.47(a)(1)) Yes No
2. Are there **new circumstances** and **environmental conditions** that may affect the project or have a bearing on its impact, such as **concealed or unexpected conditions** discovered during the implementation of the project or activity?
(§ 24 CFR 58.47(a)(2)) Yes No
3. Does the recipient propose the selection of an alternative **not in the original finding**?
(§ 24 CFR 58.47(a)(3)) Yes No

If the answer is "yes" to any of these three questions, the responsible entity must re-evaluate the original environmental assessment.

CONCLUSION:

- Based on the re-evaluation above, a new environmental assessment must be initiated.
- Based on the re-evaluation above, the original "Finding of No Significant Impact" remains valid and details have been attached to support the re-evaluation.
